Phonak Audéo R Infinio

Dear [NAME]

Let's face it: Life is noisy. Whether it is joining friends at a bustling café, watching television with family members or even discussing a work project with coworkers at the train station, noise is everywhere. This can be a challenge, especially when you are trying to engage in meaningful moments. But with today's technology, life's challenging environments can be improved upon so you can embrace life with joy and confidence.

**Introducing Phonak Infinio**, their most revolutionary platform yet with cutting-edge solutions that take on the biggest challenges in hearing care to help people with hearing loss. Get ready to experience this game-changing platform:

- **Exceptional sound quality:** Fully automated to sense your surroundings and adjusts your hearing aids every step of the way.
- **Seamless connectivity:** Connect directly to more Bluetooth® devices than any other hearing aids in the world.
- **Live your life:** Your Phonak hearing aids won't hold you back. They're tested well past industry standards to ensure durability.
- **Highly rated smartphone app to control your hearing aids:** myPhonak is rated "excellent" with 4.4 stars out of 5. Personalize listening experience in any situations.
- **Experience clearer speech far beyond any existing technology:** Every word matters. Spheric Speech Clarity, featured in Phonak Audéo Sphere™ Infinio, doubles your chances of hearing and understanding each one.<sup>1</sup>

With all these features and more, you can unlock a world of possibilities.
