

Do you hear what I hear?

Dear <First Name>,

During this special season, it's more important than ever to be part of every celebration and conversation.

Introducing **Phonak Audeo™ Infinio** with exceptional sound quality and comfort from the first use. This cutting-edge technology is designed to overcome the toughest challenges in hearing care and transform how you hear the world. **Get ready to experience this life-changing innovation:**

- **Exceptional sound quality:** Fully automated to sense your surroundings and adjusts your hearing aids every step of the way
- **Seamless connectivity:** Connect directly to more Bluetooth® devices than any other hearing aids in the world.
- **Live your life:** Your Phonak hearing aids won't hold you back. They're tested well past industry standards to ensure durability.
- **Experience clearer speech far beyond any existing technology:** Every word matters. Spheric Speech Clarity, featured in Phonak Audéo Sphere™ Infinio, doubles your chances of hearing and understanding each one.¹

<First Name>, you and a guest are invited to our office to try Phonak Audéo Infinio and unlock a world of possibilities. Call <tracking_number> to schedule your visit and to test out the latest in hearing technology today.

Sincerely,
